Good Morning,

We will be on Fall Break next week, and the following week, our students who are planning to take online Dual Credit courses in the spring will be registering/enrolling for their classes. Will we be able to offer PSY 110 to our students as a course to take through BCTC for the spring 2024 semester?

Thanks!

Hey Stephanie,
I hope you had a great break! What is the status of the PSY 110 moving forward? I wasn't sure what was decided after you met with Steve...we are supposed to have BTC come this Wednesday so wondering if we need to push that back since most of our kiddos will be wanting to enroll for PSY 110?

Hey Emma,

I've met with our CAO to review the syllabus through the lens of the SB 150 language. I see under social and personality that gender is listed as item E. I'm assuming that the gender unit of study involves the verbiage below (pulled directly from SB 150). Is that correct?

"does not receive any instruction or presentation that has a goal or purpose of students studying or exploring gender identity, gender expression, or sexual orientation."

If so, is there a professor or instructor who would agree to have all of our dual credit students rostered to them and not include that topic in the particular unit, or is this required? If required, the SB 150 law will not allow us as a public school to have this taught, regardless of the grade level of our students. Can you recommend another general education course to replace this dual credit opportunity?

Thanks in advance for any guidance you can offer us!

Best,
Stephanie
